**No Action To Be Taken on “45-Day Language”**

The Notice of Proposed Action set a date of April 11, 2012, for consideration and possible adoption by the California Energy Commission of the proposed update to the Energy Efficiency Building Standards of Title 24 Part 6, associated administrative regulations in Part 1, and the Green Building Code, Part 11, of the California Building Code.

Please be advised that the Lead Commissioner of the California Energy Commission has directed Energy Commission staff to develop revisions to the proposed 2013 Building Energy Efficiency Standards to address comments that were received at the March 12<sup>th</sup> and 13<sup>th</sup>, 2012 hearing, and in writing during the public comment period.

**As a result, the Energy Commission will not consider adoption of these matters on April 11, 2012. The hearing date for consideration and possible adoption of the proposed update has been postponed to a later date to be announced.**
